

# WET/DRY VACUUMS

## 13 & 18-Gallon

Easily the quietest in the industry, these high-performance industrial vacuums give you the power to get the job done fast and efficient. Popular in the quick-lube industry, these industrial vacuums are engineered for continuous duty.

MV-1300-OMEV

MV-1800-OMEV

### Motor

- ✓ Self-cooling motor design

### Components

- ✓ Exhaust air ducting reduces the possibility of motor contamination by dirt or moisture
- ✓ Electrical system is double-protected
- ✓ Filter efficiency 99.5% to 1.0-micron (optional HEPA filter 99.97% to 0.3-micron)
- ✓ Industrial-grade polyolefin wheels with stainless-steel shafts
- ✓ Wet **and** dry filter (no conversion necessary)

### Construction

- ✓ High impact poly construction canister

### Miscellaneous

- ✓ Quiet operation
- ✓ Eliminates airborne particles through exhaust

### Accessories - each unit includes the following:

- ✓ 10-foot x 1½-inch crushproof hose
- ✓ 2-piece aluminum extension wand
- ✓ 14-inch commercial squeegee tool
- ✓ 12-inch combination floor tool
- ✓ 10¾-inch crevice tool
- ✓ 5-inch upholstery tool
- ✓ Cartridge filter
- ✓ 1 paper filter bag (replacement bags sold in packs of 10)
