

# WET/DRY VACUUMS

## 9-Gallon

This industrial vacuum is designed for performance, durability and filtration. The wet and dry filter means there is no need to change filters when the job calls for going from one to the other.

MV-900-OMEV

### Accessories - each unit includes the following:

- ✓ 10-foot x 1¼-inch hose with inlet cuff
- ✓ 14¼-inch curved plastic wand
- ✓ 2-piece aluminum/plastic extension wand
